Sprint Building  
Unit 6  
Hamlin Way  
Hardwick Narrows  
King's Lynn  
Norfolk  
PE30 4NG

Tel: 01553 886388

We are based in an office building, alongside Sprint4Print, on Hardwick Narrows Industrial Estate in King's Lynn, easily accessible from the Hardwick Roundabout which is the junction of the A10 from Cambridge in the South, A47 from Peterborough in the West and A47 from Norwich in the East.

### By Road

At Hardwick Roundabout, exit onto Hardwick Narrows (first exit after A10, towards the Dragonfly hotel), take the first turning right just before Stebbings car sales, turn left at the T junction, follow the road round past Gardman on your right, round a sharp left hand bend, and turn right into the road between Chalcroft Construction and Adcock Refrigeration. Come into Shaun Hodgson Engineering's yard at the bottom and our office building is in the corner to the right. You'll see the Sprint4Print sign on the top of the building the Steele Media sign by the front door. Parking is available at the front of the building but can sometimes be limited. If a space is not available please double-park in front of the building.

Please use the maps on the following pages to help find us but don't hesitate to call if you have any queries or need verbal directions.

### By Rail

King's Lynn is the terminating station with a direct connection to Cambridge and London King's Cross. If travelling by rail please let us know when you are due to arrive at King's Lynn and we will collect you from the station, which is a short 5 minute drive from our office.

**Please note:** our office is based on the first floor. If you have mobility difficulties or cannot climb stairs please let us know in advance and we will be pleased to make alternative arrangements.
